¹ A case participation by an individual judge is defined as an appeal in which the judge hears oral arguments or the appeal is submitted on briefs. Thus, when a single appeal is heard before a panel of three judges, the number of case participations is three. This table does not include data for the U.S. Court of Appeals for the Federal Circuit.

² Beginning in December 2011, cases disposed of by consolidation and cross appeals are counted under procedural and merit terminations and shown as subset of merit terminations here.
